PART II. BANK OF IRAD

II bölüm. Irad Bankı / Раздел II. Банк Ирада

BANK OF IRAD STATEMENT

On the digital token marketed as “Tulparcoin”

“Tulparcoin” dep satılgan sanariptik token jönündö / О цифровом токене, продвигаемом под названием «Тулпаркоин»

Bank of Irad · 24.09.2026

The Bank of Irad has received enquiries about a digital token promoted to residents under the name “Tulparcoin”.

The token is not legal tender in the Irad Special Economic Zone, where the legal tender is the som and the United States dollar. It is not issued or backed by any Iradi institution and is not covered by the bank's dollar reserves. Balances in it carry no deposit protection. Persons who buy it do so entirely at their own risk.

The Bank of Irad Act does not give the bank powers over assets that are neither money nor bank deposits. The offering of payment services is a separate matter, which the bank is examining under the Banking and Commercial Currency Act 1993.

The som remains fixed at 8.40 to the United States dollar and fully covered by the bank's reserves.

For the Bank of Irad: E. Sadykbekov, Deputy Chairman. Talas, 24 September 2026.
